| 19. Steve Smith | 39. Steve Smith |
| 20. Paul Stevenson | 40. Paul Stevenson |

For ICNN, 1971 was the year of the tool. WNTC made a studio, WFTC erected a tower, and TV laid a cable. Like the integrator, ICNN news was played into an honored position: The Vanishing Species List. WNTC still brings you the latest features from the top of the list. 40's rock, too, too hot, WFTC produced the latest in progressive rock, and TV reproduced hockey.
